

Become a Citizens Advice volunteer

Citizens Advice helps people find a way forward. We're here for everyone, whoever you are, whatever your problem.

Not all clients can come for advice in person. Volunteers also help clients who need advice online or over the phone.

We offer advice in person, by phone and online:

Not all clients can come for advice in person, so our online service helps us to reach more clients who would otherwise fall through the cracks.

You don't need to be a computer whiz to give good quality advice and make a huge difference to peoples' lives.

It's easy to become a volunteer with our full training and support.
